

# DRAGON CITY HACK

Dragon City is a social network game from social games developer Social Point which was launched for play on Facebook in May 2013 and for download on iOS in 2013.[1][2] In August of 2014 the aforementioned developer made the game available for download on Intel Atom tablets for Android.[3] The game targets mid-core players, allowing them to raise their own dragons and create a Dragon City on floating islands. In December 2012 The Next Web ran an article announcing that Dragon City was ranked #2 in Facebook's 25 top rated games that year.[4]
